Take & Bake

The Menu Manager is pleased to announce a new way for Great Lakes Bay Region employers to support their employees in dealing with their busy schedules and lifestyles.

Take & Bake Dinners provides employees with:

- Healthy, family-style meals
- Easy, ordering of meals each week
- Quick and easy pickup of prepared meals at your worksite for immediate use or to put in your freezer for a later date
- A wide variety of meals to choose from...with a new menu each month

Which employees will benefit from Take & Bake Dinners?

- Singles
- Couples
- Families

(Meals are packaged for 1-2 individuals or for 4-6 people)

What does your business need to do to provide Take & Bake Dinners to your employees?

- Communicate the availability of Take & Bake Dinners to your employees.
- Provide employees with online access to order meals each month.
- Choose a specific day of the month for employees to pick up their meals at your worksite.
- Select a location at your business for easy pickup of the pre-ordered meals by your employees.

The Menu Manager staff does the rest....
